KHOURY-MURPHY PLACES SECOND IN TRIATHLON COMPETITION

Milady Koury-Murphy, instructor of wellness for Shelton State Community College, placed second in her age division in the Sandman Triathlon held recently in Gulf Shores, Alabama.

Dr. Khoury-Murphy's score was the tenth highest of any women participating in the competition. Over 200 participants competed in this year's Sandman Triathlon.

According to Dr. Khoury-Murphy, the weather conditions made the course very difficult.

"The temperature was over 100 degrees on the asphalt so the last part of the event became survival. The distances were set up by the United States Amateur Triathlon Federation and consisted of a .6 mile swim, 16.6 mile bike, and a 6.2 mile run. I felt good about my performance despite the heat; I beat my original time by 11 minutes," Dr. Khoury -Murphy said.

In December, Dr. Khoury-Murphy will compete in the national triathlon competition which will be shown on ABC's Wide World of Sports. Distances established for the nationals include a mile swim, 25-mile bike and 6.2 mile run.
